Animal Samaritans SPCA, Inc., held its Ninth Annual Walk with the Animals fundraiser on Sat., March 21, 2009, at the Palm Desert Civic Park. Groups of friends, family and classmates formed walk teams to raise money for the Animal Samaritans shelters. Animal Samaritans in Coachella Valley has enhanced the lives of people and pets since 1978 by providing and offering affordable clinic services, including dental exams and cleanings, wellness exams, and blood chemistry test. A record 8,353 spay and neuter surgeries were performed, vaccinations increased to 24,924 (17.5%) and 787 animals were microchipped in 2008. Animal Samaritans are answering these growing demands for Coachella Valley pets.
